

## Office of the Secretary, Commerce

## §21.6

(2) The applicable standards for assessing interest, penalties, and administrative costs (4 CFR 102.13);

(3) That the debtor has a right to inspect and copy Department records related to the debt, as determined by responsible Departmental official(s), and that such request to inspect and copy must be postmarked or received by the Department no later than 30 days after the date of the (first) demand letter;

(4) The name, mailing address, and telephone number of the Department workout group employee who can provide a full explanation of the claim and answer all related questions, as well as explain procedures to the debtor for inspecting and copying records related to the debt.

(c) The responsible Department officials shall exercise due care to insure that demand letters are mailed or hand delivered on the same day that they are actually dated. If evidence suggests that the debtor is no longer located at the address of record, reasonable action shall be taken by the Departmental unit workout group to obtain a current address, including skip-trace assistance from the Internal Revenue Service and/or private sector credit reporting bureaus.

(d) Where applicable, the Departmental unit workout group must inform the debtor in a second demand letter, (Notice of Intent) of:

(1) The nature and amount of the debt;

(2) That the Department intends to collect the debt by administrative offset until the debt and all accumulated interest and other charges are paid in full;

(3) That the debtor has a right to obtain review within the Department of the initial determination of indebtedness, and that such request to have a review of the basis of indebtedness must be postmarked or received by the Department no later than 30 days after the date of the second demand letter (Notice of Intent); and

(4) That the debtor may enter into a written agreement with the responsible Department official(s) to repay the debt if such a request is made and received by the Department no later than 30 days after the date of the second demand letter (Notice of Intent).

If the sum of the proposed offset does not fully cover the amount of the debt owed, the Departmental unit workout group shall also include in this second demand letter (Notice of Intent) the notice provisions to debtors required by the Debt Collection Act of 1982, and other regulations of the Department, pertaining to disclosure of the delinquent debt to credit reporting agencies, referral to private collection agencies, salary offset, possible Internal Revenue Service offset of tax refunds, and referral of the debt to the Justice Department for action to the extent inclusion of such is appropriate and practical.

(5) That if payment or a request for review is not received within the 30-day period, the offset process will be initiated.

### §21.5 Exceptions to notification requirements.

(a) In cases where the notice specified in §21.4 has previously been provided to the debtor in connection with the same debt under some other proceeding, such as a final audit resolution determination, the Department is not required to duplicate those requirements before effecting administrative offset.

(b) If the time before payment is to be made to the debtor does not reasonably permit the completion of the procedures specified in §21.4, and failure to take offset would substantially prejudice the Government's ability to collect the debt, then administrative offset action will be taken without notification. The offset will be promptly followed by the completion of the procedures specified in §21.4 (also see §21.10(c)).

### §21.6 Written agreement to repay debt.

(a) A debtor will be provided with an opportunity to enter into a written agreement with the responsible Departmental official(s) to repay the debt owed if the following conditions are met and if specific conditions exist that limit his or her ability to immediately repay the debt.

(1) *Notification by debtor.* The debtor may, in response to the first written demand or Notice of Intent, propose a written agreement for delayed lump
